

DELIGHT CHERUBINO

Munnar, India | +91 8220789878 | delightcherubino@gmail.com | LinkedIn

SUMMARY

BTech student in AI & Data Science at Ramco Institute of Technology (2023–2027), specializing in machine learning, generative AI, and data visualization. Developed AI monitoring systems at Ramco Cements and delivered insights as a Data Analyst at Igress Solutions. Skilled in Python, deep learning, and BI tools, eager to drive innovative AI solutions.

EDUCATION

B.Tech, Artificial Intelligence & Data Science

Ramco Institute of Technology 2023–2027

Higher Secondary

The High Range School, Munnar 2022–2023

EXPERIENCE

AI & ML Intern, Ramco Cements Limited, Ariyalur

Project 1: Real-Time Intelligent Cement Bag Detection and Counting System Apr–Jul 2024

- Built YOLOv8-based AI systems for real-time people and cement bag counting, enhancing security and inventory management.
- Optimized deep learning models and deployed PyQt5 UI for live video monitoring.

Project 2: Water and Raw Material Enricher and Analysis

- Application to forecast and track colony-level water and raw material usage.
- Past data analysis with alerting and reporting.

Data Analyst, Igress Solutions Nov–Dec 2023

- Created Power BI dashboards for AWS sales data, improving stakeholder insights.
- Earned Spot and Impact Awards for effective data cleaning and analytics.

TECHNICAL SKILLS

- **ML & DL:** TensorFlow, PyTorch, Scikit-learn
- **AI & NLP:** LLMs, RAG, ChromaDB
- **Computer Vision:** YOLO, OpenCV
- **Frameworks:** Flask, Django, PyQt5
- **Databases & Cloud:** SQL, Google Cloud
- **Tools:** Github, Power BI, Web Scraping

PROJECTS

- **Medical & Tax Chatbot:** Built NLP-based chatbot with web scraping and UI.
- **Helmet & Vest**

Detection: Developed YOLOv8-based safety system with IoT.

- **Resume Analyzer:** Created LLM-based resume ranking tool with visualization.

ACHIEVEMENTS

- 1st Prize, National Paper Presentation on AI-based cancer differentiation, Francis Xavier Engineering College.
- Best Team Award, National AI Innovate Hackathon, Shri Eashwar College.
- Data Science Rising Star Of RIT Award, Ramco Institute of Technology.

DECLARATION

I confirm all information is accurate.
